

Porn to Hula Hospitality Rider

Dear people!

We are six guys on the road, five musicians, one soundguy. We are handsome. We are carnivores. We like to have a place where we can dress and have our little calmness.

At arrival, some snacks and drinks would be great. We are aficionados of the dieta mediterranea. We love good Espresso.

We need a bottle of whisk(e)y for the show. Something like Tullamore Dew or Jameson or Jim Beam.

We love cold beer, water, and good wine. Also most of the things that make a party crazily funny.

Accommodation should be clean and warm.

Breakfast is great! Espresso is necessary.

We bring our own backline, and we can share speaker cabinets, but NOT amps! Please, ask in advance.

We are looking forward to staying at your venue!!!

thank you,
Porn to Hula
